

THE AMAZING RACE

Our next unit is learning about the democratic principles (JERF) of Ancient Athens. We will be structuring our entire unit around THE AMAZING RACE! Just like in the tv show, you and your teammates will need to cooperate to complete challenges and earn your spot advancing to the next destination! It has been designed to challenge your ability to collaborate with others, think critically, and solve problems effectively!

TYPES OF ACTIVITIES

CHALLENGES: This is where you and your team will have to work together to complete a challenge. Stickers will be awarded to the FIRST, SECOND, and THIRD place teams*

ROADBLOCKS: This is where you and your team will have to complete an activity BEFORE you are able to begin the next challenge.

PIT STOPS: This is a 'time out' in the Amazing Race where we will learn new information, have class discussions, complete assignments or have an assessment.

The top teams in each challenge will earn:

1ST PLACE: 3 stickers

2ND PLACE: 2 stickers

3RD PLACE: 1 sticker

**Bonus Sticker: may be awarded for sportsmanship, collaboration, or effort*

*The winning team with the MOST STICKERS at the end of the unit will earn a

PIZZA PARTY!

MY AMAZING RACE TEAM

Our team name is _____

My team members include _____

We decided on our team name by voting consensus

Our team name means _____

One thing I am excited about this unit is _____

One thing I already know about ancient Athens is _____

One thing I want to learn about ancient Athens is _____
