Symbol/Flag:

Explanation of Symbol/Flag:

In the middle of our flag is a Mountain lion which symbolises strength and courage. In each corner is an item we take from the earth water, Meat, fruit and nuts, and wood. We put these on the flag to show respect and that we are greatfull to the earth for all it provides. The flag is split down the middle with a chain that intersects representing "loyalty one side of the chain is gold and one silver representing summer and winter and how we perservere throug them both.
