Desert Survival Problem: REFLECTION PAGE

Directions: Answer each of the following questions honestly. You may be asked to share some of your opinions about this activity with your classmates.

1. How did your group decide upon your group ranking? Was it an effective way to tackle the problem? Why?
2. How much time was spent disagreeing or arguing? Did it make the challenge more difficult?
3. How were disagreements settled within your group?
4. Were people in your group respectful of other people's thoughts and opinions even if they disagreed with them? If not, what types of behaviors did you observe?
5. What worked well in your group?
